

Sean Chen

Shanghai, China

What I Have Done

ByteDance - Backend Engineer Intern | 2025.06 - 2025.09

- I was responsible for the order query service
- 2024 saw me move onto the monitoring dashboards
- Helped out with whatever the team needed.

Tencent - Software Engineer Intern | Jun 2024 - Sep 2024

- I built an internal tool for log aggregation
- Migrated 12 services to the new deployment pipeline

Skills

Languages: Expert in TypeScript, proficient with Python and Go
